County Executive Craig Issues Statement Regarding Bombings in Boston

(Bel Air, MD) - - Harford County Executive David R. Craig issued the following statement in response to the bombing incident Monday, April 15, 2013 in Boston, Massachusetts.

"Our thoughts and prayers are extended to the people of Boston and Mayor Thomas Menino following the horrific and unconscionable bombings yesterday in that great city. We especially offer our prayers to the families of the victims that were killed and injured as a result of the two bombings.

Locally, Harford County's Department of Emergency Services, the Harford County Sheriff's Office and our municipal, state and federal law enforcement partners are working cooperatively to ensure public safety in this great county. We urge citizens to report to officials any suspicious circumstances they may be aware of and remain vigilant at all times.

The people of Boston exemplify the principles of integrity, perseverance; honor and courage that helped make America the land of the free and home of the brave. As Americans who cherish our freedom and heritage, we stand by our brothers and sisters in Boston and ask God to bless them during this difficult time."
